## VETERINARY MEDICINE

**SCAN THE QR CODE  
TO REGISTER!**

# Course Organization

With the exception of the current Opioid Course, online courses are arranged alphabetically by category:

Companion Animal, Equine, Food Animal, and General. Practice Management topics are in the general area.

Courses must be completed within the license renewal period for which they will be used. Example: Oklahoma 2023 license renewal period ends June 30, and any online course used for that renewal period must be completed by June 30, 2023.

## **Table of Contents**

Companion Animal Topics - pages 3 & 4

Equine Topics - 4 & 5

Food Animal - pages 5, 6 and 7

General - page 7
